

FUTURE HEALTH RESEARCH & INNOVATION SCHOLARSHIPS

AWARD VALUE - \$2,500

Awards will be issued as follows: 1 – Nova Scotia, 1 – New Brunswick & 1 - Prince Edward Island.

IWK Research Services is proud to announce they are offering a new scholarship to Maritime students. The Future Health Research and Innovation Scholarship was created in 2015 for the purpose of fostering awareness in health research at the IWK. This scholarship recognizes outstanding Grade 12 students within the Maritimes who have demonstrated an early interest in health related research and/or innovation.

REQUIREMENTS

- Must be a grade 12 student in the Maritimes with a minimum average of 75% and must intend on continuing their education at a Maritime post-secondary institution (college or university), in a field that will enhance health research and/or innovation in health care.
