

Submitting Course Selections

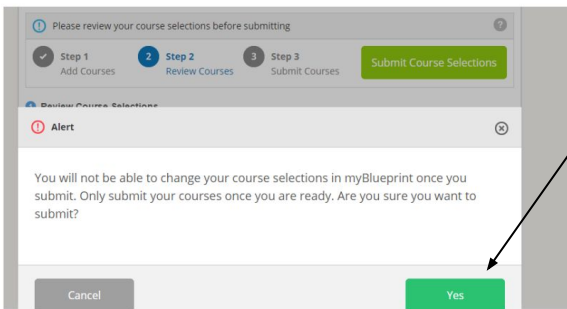

1. After logging in and going to High School Planner, student's will now see this as part of the page.
2. When a student is satisfied with the courses click on the Review Course Selections button.

3. A student may get an alert - if they are satisfied with their courses click on Yes and continue...(may be taking less than 8 courses to meet grad requirements).

4. Review course selections and if everything is good click on Submit Course Selections.
5. At the bottom of this page add any notes (course for second semester, etc.

6. At the next alert click yes after reading the alert.
7. The final page says to print off your Sign-Off Sheet on the next page...click on the X at the top right - no need to print.
