See School Counsellor.</p> <p>*(2) Students who are pursuing certain university science degrees (i.e Biology, Kinesiology, Psychology, Food &amp; Nutrition) must check each university for specific admission requirements and see a School Counsellor.</p>

\* Specific programs at Universities & Colleges have various admission requirements. All Universities require a minimum of five 621's; however, some require a 6<sup>th</sup> academic course. Students must check each university for specific admission requirements and with School Counsellors for details. Some universities do not accept all of our 621's for admissions. See the back of this sheet for further details.

\* The minimum will not guarantee admission. It is very important that you do well in your 621 courses required for admission.
